

# About University

Quelle: fotocommunity.de/Alexej\_

A portrait painting of Philip I Landgrave of Hesse. He is shown from the chest up, wearing dark, ornate armor with gold-colored shoulder guards and a high collar. His hair is powdered and styled in a large, curly, dark wig. He has a mustache and is looking slightly to his left with a neutral expression.

**Founded in 1527 by  
Philip I Landgrave  
of Hesse**
